

***ESOL - Level 2 Semester A**

Extra title field

In order to ensure the safety of staff and learners, the way we can provide courses in the Autumn Term has changed. See details below. There may be further changes if Government and Public Health advice changes.

How will the course benefit me?

This 15-week ESOL course from September 2021 to February 2022 is for people who do not have English as their first language, who are advanced learners and who have already completed Level 1 ESOL or English qualifications. You may be doing a vocational course and need to further improve your English skills and your confidence to use English in life and at work. There is no qualification during the A term but at the end of the 15-week Term B there is an opportunity to take an ESB ESOL Skills for Life, Level 2 Speaking and Listening qualification if you have made sufficient progress. Please note this course will be delivered mainly online. The sessions will be live and at the same time each week. To access it, please see IT requirements below

What will I learn?

You will learn how to improve your speaking and listening; reading; writing; grammar skills needed for everyday life and employment at Level 2. Your tutor will discuss and agree with you any individual topics you wish to cover. You will also improve your IT skills, including learning how to use Google Education Suite, send emails, use online meeting platforms and observe online meeting etiquette (how to switch your camera on and off, mute yourself, use the chat facility and interact online with your peers).

Career Opportunities

At the end of semester A course you may be able to progress to Semester B for the next 15 weeks if your assessment shows that you are progressing at the right level and your attendance, punctuality and homework are very good. In Term B you may be able to take a Speaking and Listening Skills for Life ESOL ESB exam at Level 2. Your tutor will advise you on your next step.

Assessment / Exam

During the first 2 weeks your learning and level, as well as your attendance, punctuality and commitment to learning will be assessed to make sure this is the right course for you. If your assessment shows that you are at a different level, then your tutor will recommend the most suitable course for you to transfer to. If your attendance and punctuality are not very good then you will not be able to continue on the course. During this course, your tutor will assess your work and skills by regular homework tests, tutorials and observation. You will have an

tutor will assess your work and skills by regular homework, tests, tutorials and observation. You will have an individual learning plan (ILP) that you will maintain with personal targets that you will be working towards. During the course you will be assessed by your tutor to ensure you are progressing at the correct level. You may be able to progress onto the next 15-week course (Term B), at the end of which you may be able to take an ESB ESOL Skills for Life Level 2 speaking and listening qualification depending on your progress. During this course your tutor will assess your work and skills through regular homework, tests, tutorials and observation. Health & Safety

Any Health & Safety issues? You will be issued with a photographic ID card and lanyard which must be worn at all times in our buildings. You will need your ID to get into the building. You will be issued with a Redbridge Institute Google account which is to be used while you are on the course. You will also be expected to be familiar with staying safe while learning online. Under no circumstances should you use your personal email account to access our Google system. Depending on the course you are enrolled for you may need a private space while participating in the online part of the course. Your tutor will advise you.

How will the course be delivered?

You will need to attend an IT induction on using Google Education Suite at the Institute and have access to the internet and a suitable device, preferably a laptop to enable you to also access online learning confidently. At induction you will be issued with a Redbridge Institute Google account. This course will be delivered online, using Google Education Suite. Learning online will include live video conferencing with your tutor and your peers, taking part in group discussions, watching videos, using other online resources (e.g. Learn My Way) and the tutor may make recordings of some parts of the sessions. The sessions will be scheduled at the same time each week. Day time sessions will be twice a week and evening sessions once a week. You will be asked to complete homework that will help you to work independently and develop your skills. You will be working from multi-media resources including books, handouts, presentations and real-life resources. You will also be able to use on-line resources and SMART technology (e.g. YouTube, Google drive; Google Classroom and others). This course will continue to be offered using blended delivery. This will include some course time online and some in the classroom. Your tutor will advise you when you start the course and as the course progresses.
