

Art - Mixed Media Painting & Drawing (All Levels)

What will I learn?

This 10-week course covers a broad range of drawing and painting techniques. During the course you will be introduced to basic colour theory and the techniques needed to use a wide range of materials, such as pencil, charcoal and chalk pastels. We may also use watercolour and pen and ink. You will be encouraged to experiment with techniques in order to become confident in completing various projects. Learners should see this course as an opportunity to experiment with the techniques taught to produce original and personal pieces of work. Learners will be expected to follow the course programme and attend regularly to ensure progression.

Entry Requirements

Suitable for complete beginners through to intermediate level. Learners will be expected to follow the course programme and attend regularly and on time to ensure progression.

Assessment / Exam

You will receive regular feedback from your tutor who will assess you continually and informally. An Individual Learning Plan will help you monitor your progress and reach your targets.

Career Opportunities

To any specialist art course within the Institute, e.g. watercolour painting, pottery or photography, as well as art courses in further education.
